

Title

Lara Vignotto

January 4, 2024

Table of contents

Introduction

Proposed Solution

Model Validation

Critical Analysis

Conclusions

Introduction

- Context
- Problem statement
 - Definition
 - Relevance

Proposed Solution

- Model
- Cost
 - Required data
 - Required hardware
 - Complexity
 - ...

Model Validation

- Mathematical proof
- Experimental evaluation

Critical Analysis

- Differences with the literature
- Strengths
- Weaknesses

Conclusions

- Conclusions
